

AMERICAN RED CROSS

NATIONAL HEADQUARTERS

WASHINGTON 13, D. C.

May 27, 1944

Dear Miss Lyons,

Thank you very much for your letter of May 26 and the enclosure, which latter I am returning as you request.

You are at full liberty to send the letter you mention to Mrs. Roosevelt, and you might add to that that should she desire any further information I will be very glad to give it to her and show her the original documents. However, I am leaving Washington for the summer about the 12th of June and will not return until the last of September. If you would have time to send Mrs. Roosevelt a copy of the letter before this, I would be glad to have you do so.

We have not put out any of this information in a general way and therefore there would probably be no one here who would be able to give Mrs. Roosevelt the data or show her the letters that we have. I have kept this material mostly in a vault in my own residence.

With again many thanks and cordial regards, I am

Sincerely yours,

Mabel J. Boardman
